

OFFICE OF SELECTMEN TOWN OF MONTVILLE

414 CENTER ROAD
MONTVILLE, MAINE 04941

April 20, 2026

To: Winter Sand Contractors

The Montville Select Board is accepting bids on the winter sand/salt pile for 2026/2027. Specifications are as follows:

Material: Screened sand to be delivered to the Montville municipal sand-salt shed, then mixed with salt and pushed into shed. Sand must not be piled higher than the paint mark on the wall. Sand must be live; no dead sand accepted. Sand must meet town quality requirements and be 1/2 inch and under, screened. A 5-gallon bucket sample, of the sand to be used, must be available for inspection before bids are accepted. Sand also needs to be available for inspection by the Road Commissioner or town designee, on-site, while sand is being delivered; delivery tickets will be signed after every load. All delivery tickets must be signed by town designee to receive payment. Sand is to be put up in a timely manner and must not be put up while it is raining or 24 hours after a heavy rain.

Quantity: 2,000-2,300 yards, with an option for 500 yards more, if necessary, per Road Commissioner. No excess sand to be stored outside the building.

Salt: Will be provided by the town and mixed with the screened sand by the contractor. The town is responsible for delivery of salt to sand-salt shed and payment of the salt.

1. Price per yard for delivery of sand/salt mixture and pushing it into shed: _____
2. Price per yard for additional sand to be delivered later in the winter if needed: _____

Completion Date: the sand/salt stockpile is to commence after **July 20th** and be completed on or before **September 1ST**.

All bids should be received at the Town Office no later than 5:00 p.m. on Monday, June 1, 2026 and will be opened at the Select Board meeting that night.

Bids should be placed in a sealed envelope and addressed as follows:

Town of Montville,
